

Text:

School has been the most amazing and the funniest time I admired in my life. So when I look back on my class souvenirs, I feel that I lost something very precious, something that is impossible to return back. My teachers, my classmates, my school and every single moment I lived there left special emotions and exceptional feelings on me.

I was lucky to have very respectful teachers who taught me sciences and important things in life, the hours I spent with them made from me a powerful person, they taught me to be self-confident, to believe in myself, to care for others, to be helpful, generous, courageous, perseverant, respectful and kind with others. Thanks to my teachers, I learnt plenty of moral values and good qualities. I was really affected by **their** personalities and behaviours. I remember Mr Talbi, my teacher of Arabic who has never been late or absent, he was known for his strictness, punctuality, rigor, sincerity and his mastery of work. This ideal **man** affected me and left a great impact on my personality, so I have always tried to be like him. Similarly, I will never forget my classmates Oussama, Yanis, Hani, Laid , Chafia and Bariza. They were my best friends since we spent unforgettable moments all together in our school.
