According to a survey, teenagers' boys read for an average o	
girls spend almost twice as much time reading as their male cou	
children for Thursday's World Book Day found that 15 to 16 yea	
week reading for pleasure, compared with 4-5 hours for girls.	
prefers television, with an average of eleven hours a week and c	
average of nine hours a week. (§1)	omputer games played for all
average of fillie flours a week. (31)	
But whenever they were reading, boys were doing so becau	se they enjoyed it, with 81% of 11
o 12 years old and 76% of 14 to 16 years old reporting their sat	tisfaction with reading. The most
oopular author was JK Rowling, writer of the Harry Potter series	s, and teenage boys particularly
enjoyed the works of Lord of the Rings author, JRR Tolkien. (§2)
