	The First Term Exam of	English	
art One: Reading	· · · -		
<u>/</u> Comprehension Read the followin	(07 points) ig text very carefully then do the activities belo	ow.	
My life forty ye	ears ago used to be drastically different from the are technology and globalization. None of my	e way I live today. The primary players in this	
nat was quite ragge neep and the donke neep and the donke ne farm. We used to herefore, we rarel ophisticated heater. ight, we all used to However, that s ty. My parents still and before I come he astead prefer to take ne entire flat. Most	o my old life makes me quite nostalgic. I used to d and whose walls were made of stone and class. I was then a five-year old reckless boy and o plant almost everything we need for the dinner by went downtown for shopping. During wing the weather used to wear kechabias which our sit around wood fire listening to our grandma to imple, traditional lifestyle is no longer existing a live in that village which actually looks like tome, I buy all I need for the dinner table. Yet, I we a snack at work. When the weather turns cold of us order the latest fashionable jackets and some time chatting on social media and we	much of my time was spent with my father in er table. Our meals used to be healthy and safe after, we didn't use to have warm jackets of mother made from the wool of the sheep. At elling us stories and riddles.  It is now. Today, I live in a tiny apartment in the a town now. Now, I work all day in a factory always miss having lunch with my family and those online. To keep in touch with my friends
