Text:							
English people love na	ture and animals, they are fond of animal spottin	g.					
Although the weather is often rainy, they love to take long walks in parks, gardens, and to enjoy outdoor life. A popular hobby or pastime is to							
spot animals in their natural environment, means watch animal's life. Nature-lovers can spend hours waiting in a forest to take a photo of a							
_	it. Lots of people provide little birdhouse for birds						
= -	cial "butterfly farms" , sorts of zoos , where you ca	=	ic cold weather. Butterines are very
